

INTRODUCING ONLINE PAYMENTS

We are excited to introduce a fast, easy, and secure way for you to pay your Association fees online through our new provider, ClickPay. As the new and preferred way of accepting payments, we invite you to create your new account and begin making payments online.

To get started, visit <https://www.clickpay.com/custom/grs/login.html> and click Register. Connect your unit using the email address registered with the Association. Set up automatic recurring or one-time payments online with any major credit or debit card for a fee or by e-check (ACH) from a bank account for free.

If you have already received a confirmation letter or e-mail that your account has successfully been registered with ClickPay, you may edit your existing set up by visiting www.ClickPay.com/GRS. To gain access to your account, you will be required to verify the account number on your coupon as well as your current direct debit banking information.

Please keep in mind that ACH and debit card payments typically take 24-72 hours to be posted to your account. Credit card payments take approximately five (5) business days to post to your account.

For help with your account, visit ClickPay's support center at www.ClickPay.com/Help for access to FAQ's, step-by-step walkthroughs, email and phone support and live chat.

Should you have any questions or concerns, please feel free to contact the GRS Management, Inc. office at 305-823-0072 or via e-mail at accounting@grsmanagement.com.
