B. Nothing shall be done or kept in a unit which will either increase the Corporation's cost of insurance or result in the insurance being canceled.

If the modification or alteration desired by the owner involves the removal of any permanent interior partition, the Corporation shall have the right to permit such removal so long as the permanent interior partition to be removed is not a load bearing partition and so long as the

removal thereof would in no manner affect or interfere with the providing of utility services constituting Common Elements.
